SUBMISSION OF SCIENTIFIC WORKS FOR THE II INTERNATIONAL CONGRESS OF SISTEMAS ERTTY

The Scientific Committee of the II International Congress of Sistemas Ertty, publishes this call for the submission of scientific papers, with a view to selecting one to be presented in person on April 10, 2024.

1. REGISTRATION

- 1.1 Clinical case reports associated with the field of orthodontics will be accepted, dealing with diagnosis and the various treatment modalities in this area.
- 1.2 Papers will be accepted in the form of an **ORAL PRESENTATION**. To do so, the participant must, within the established period:
 - 1.2.1. submit their abstract on the event website (www.congressosistemaertty.com.br).
 - 1.2.2 After the abstract has been approved, send the video of the presentation in accordance with the rules set out in item 5 of this notice ("**CONTEST STEPS**").
- 1.3 Each paper may only have one (1) presenter.
- 1.4. The presenter must have been a student on the Modular Sistemas Ertty or Master course and the clinical case presented must have been treated with Sistemas Ertty.
- 1.5 Three evaluators will examine the papers and select three (03) of them. The best of the three will be decided by public vote during the II International Congress of Sistemas Ertty. The winner will be awarded during the congress closing party on April 12, 2024, starting at 9 p.m. (Brasília time).

2. LEVEL, MODALITY AND AREAS

- 2.1 Modality: Oral presentation of clinical cases.
- 2.2 Area: Orthodontics at all levels of treatment - from growing patients to complex cases.

3.1. SUBMISSION OF ABSTRACTS

- 3.1. Abstract submissions will begin on August 31, 2023, and must be made through the event website (www.congressosistemaertty.com.br).

II CONGRESSO INTERNACIONAL **SISTEMAS ERTTY**

ORTODONTIA | DTM | OCLUSÃO

The deadline for submissions will be **11:59 p.m. on February 2, 2024**. The results will be announced **on February 19, 2024**, on the Congress website, of the 3 papers selected by the Scientific Committee.

3.2 In order to submit abstracts, the responsible author must register for the event by 11:59 p.m. (Brasília time) on **February 1, 2024**. Otherwise, the submission will be considered invalid.

3.3 When submitting abstracts, the following items are mandatory:

3.3.1 Title: The title must be objective and informative, allowing an appreciation of the subject covered in the work; written in capital letters; have up to 25 words; and not use abbreviations.

3.3.2 Authors: Full names of the authors (Please note: the name of the presenting author should be selected on the website and the name of the supervisor (if there is one) should be inserted last).

3.3.3 Abstracts must be submitted in Portuguese or Spanish.

3.3.4 Keywords: 3 to 6 keywords. To choose the descriptors, the list of "Descriptors in Health Sciences - DeCS", drawn up by BIREME, should be consulted (available at <http://decs.bvs.br>).

3.3.5 Abstract: This should state the importance of the topic for the field and should not exceed 250 words. It should also be structured with the following subsections: Introduction, Objectives, Case description and Final considerations.

4. EVALUATION OF ABSTRACTS

4.1. The selection of papers will be carried out by the Scientific Committee of the II International Congress of Sistemas Ertty, which reserves the right to reject unsatisfactory papers or those that do not comply with the submission rules, as well as being sovereign in its decisions and in resolving any unforeseen issues. If the work submitted as an Oral Presentation has not been approved, the presenter will be informed by e-mail.

Note: Dr. Ertty Silva is not part of the scientific committee and has no influence whatsoever over the committee.

Abstracts will automatically be rejected:

4.1.1. with more than 2 (two) unsatisfactory mandatory items (item 3.3.5).

4.1.2. with more than 3 grammatical, typing and/or formatting errors.

4.1.3. that do not use the keywords found in the list of "Health Sciences Descriptors - DeCS".

5. STAGES OF THE COMPETITION

5.1.1. 1st STAGE: The papers will be submitted by the participants via the event website (www.congressosistemaertty.com.br) with the mandatory items duly presented.

5.1.2. 2nd STAGE: Once the abstracts have been approved, the papers will be presented in VIDEO format (recorded presentation) lasting a maximum of 15 minutes. The presenter must appear in AUDIO and VIDEO during the recording of the presentation. Items that must be included in the presentation:

- I- Initial and final images of the Easy 3D Protocol.
- II- Extraoral photos (frontal, frontal smiling, and profile - lip at rest and approximate smile).
- III- Intraoral photos (frontal, right lateral, left lateral and upper and lower occlusal).

5.1.3 3rd STAGE: After the Scientific Committee has selected the best paper, the presenter of the selected paper will have 15 minutes to present their work on the official grid of the II International Congress of Sistemas Ertty, on April 10, 2024, along with 2 other finalists.

5.1.4 The presentation of the finalists on **April 10, 2024**, to the congress audience, in the official grid, must be based on digital audiovisual resources such as **PowerPoint, Keynote**

II CONGRESSO INTERNACIONAL **SISTEMAS ERTTY**

ORTODONTIA | DTM | OCLUSÃO

or similar, and it is **MANDATORY** to use the **16:9 layout** and use a personal computer. If the computer is a MAC model, please bring an HDMI adapter.

5.2 PREPARATION AND INSTRUCTIONS FOR THE VIDEO

5.2.1 The video must be a **maximum of 15 minutes long**. Authors will therefore be responsible for capturing, editing, and publishing the videos produced on the One Drive platform, where the video will be shared via a link provided by the congress technical team after the abstract has been approved by email.

5.2.2 The presenter must record their presentation **by AUDIO and VIDEO**, explaining the content based on their produced material - for stage 2.

5.2.3 The video must be recorded at a minimum resolution of 1920x1080. If you wish, to preserve the quality of the image, the author can record it in a higher resolution.

5.2.4 The video must be published on the platform with the submission code (which is generated by the platform where the abstracts were submitted) and the title of the work. Code - Title.

5.2.5 The participant must upload the final file to the **One Drive** platform so that the scientific committee can evaluate the work from **February 3, 2024, to February 10, 2024**. The link should be sent to the e-mail address cursosertty@gmail.com with the following subjects: the submission code, the title of the paper and the author's name. The title of the paper must match that of the abstract. Failure to send the link by the deadline will result in the paper being disqualified.

6. EVALUATION BY THE EVALUATION PANEL

6.1 The evaluation of the selected works by the judging panel will be based on a scale of 1 to 10 with descriptors, according to the 06 criteria listed:

- I. Originality.
- II. Quality of the results produced.
- III. Suitability of the analysis methods adopted.
- IV. Scientific merit of the work.

II CONGRESSO INTERNACIONAL **SISTEMAS ERTTY**

ORTODONTIA | DTM | OCLUSÃO

V. Quality of the oral presentation.

VI. Mastery of the topic presented.

6.2 The final mark will be awarded according to the following breakdown: 30% abstract and 70% oral presentation.

7. RESULTS AND AWARDS

7.1 Results

7.1.1 The official document of the works approved for oral presentation will be made available on the event website and on the other social networks of the II International Congress of Sistemas Ertty, on February 19, 2024, in accordance with item 3.1 of this notice.

7.2 Awards

7.2.1 The awards will be presented in person during the congress closing party on April 12, 2024 at 9pm.

7.2.2 Prizes will be awarded for 1st, 2nd and 3rd place. The prizes will be announced after this notice.

8. FINAL PROVISIONS

8.1. Any situations not covered by this document will be resolved by the Scientific Committee of the II International Congress of Sistemas Ertty.

8.2 For any questions or clarifications, please contact: cursosertty@gmail.com
